The Philosophy of Suryadatta

Our Inspiration

"Awake, arise and stop not, till your goal is reached."

SWAMI VIVEKANANDA

"One must continuously strive for excellence and perfection in any assignment however small and never be satisfied with the second best"

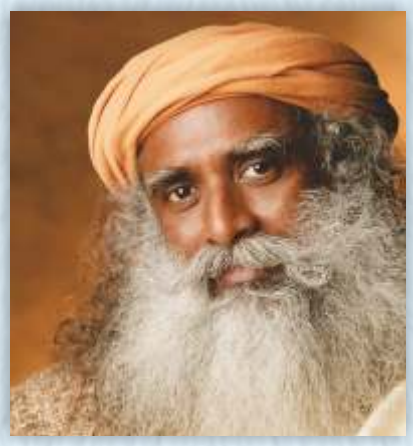
J. R. D. TATA

"The success or failure of an organisation depends on people, on human beings, on their talent, on their initiative, on their ability to lead, and on co-ordination with others, to work as a team."

ADITYA BIRLA

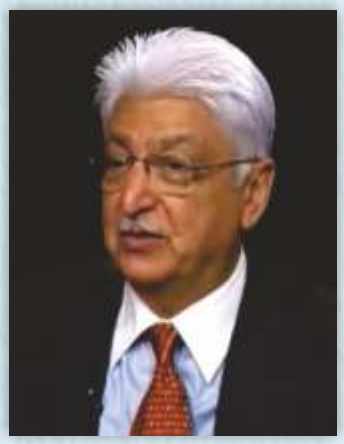
"We must create a civilized society, where everybody has equal opportunity to better his or her life.

NARAYANA MURTHY



"Incredible things can be done simply if we are committed to making them happen"

SADHGURU



"If people are not laughing at your goals, your goals are too small"

PERSONAL

February 11, 2013

Dear Prof. Dr. Sanjay Chordiya & **Mrs. Sushama Chordiya**

Please accept warm greetings and congratulations for the function organized on 7th Feb. 2013 for presentation of "**Suryadatta National Lifetime Achievement Award**" and "**Suryadatta National Awards 2013**".

Due to health problem, I am sorry I could not give full justice to the programme. I have also missed an opportunity to listen to the speeches of the eminent awardees.

Being part of your organization, I was hesitant to accept the award. However your love did not allow me to refuse the same. This programme also provided me an opportunity to meet several friends including Manindarjit Singh Bitta and others.

Love and affection of friends like you has always remained the strength in my life. I am sure that I will continue to receive the same in future.

I have my dream about Suryadatta Group of Institutes. Within few years, this Institute should be "**Harvard**" of India. Please try to fulfil my dream.

With warm regards and best wishes for Suryadatta Group of Institutes.

Yours sincerely,

Mohan Dharia

ABOUT THE VICE PRESIDENT

MRS. SUSHAMA CHORDIYA

Mrs. Sushama Chordiya is the driving force along with the Founder President and Chairman and she is the prime mover for social and holistic well being and Maternal face of the Group. She has been instrumental in conceptualizing and executing several initiatives for the holistic development of the students and the society which touch the lives of generations of future citizens & ensure that they have solid foundation that complements the academic input provided by formal education. She is also an inspiration and role model for female students and faculty of Suryadatta Group.

MESSAGE FROM THE VICE PRESIDENT

The world is evolving at a rapid pace and we are witnessing unprecedented changes all around us.

Keeping in sync with the evolving socio-economicmilieu, on the horizon industry trends and dynamic demands from a global and digital society, Suryadatta Group of Institutes has embarked on a path that reinvents itself into a 21st century academic conglomerate that touches several aspects of lives of the student community and contributes to their overall wellbeing.

As a group we are integrating ourselves more closely with the wider academic, entrepreneurial, industry, policy making and social ecosystem. We have taken several steps in this direction.

Some of the key aspects include building a wider web of renowned and acclaimed academic partners in the form of HBS online, IIMBx, AIMA, Lincoln University Malaysia, TCSiON, Cambridge Business English, SAP etc., taking learning beyond the classroom and making it more socially relevant in terms of more touch points on the field with local and global immersion programmes and a wider adoption of digital learning in line with the expectations of the student community and the probable work place of the future.

All constituent institutes of Suryadatta Group have on their radar various key interventions that contribute towards the development of a startup, innovation and incubation culture. Our academic partners such Multi varsity are acting as the icing on the cake for our efforts. This ensures that we not only create job seekers, but we nurture job creators as well.

We firmly believe that skilled and well educated human talent is merely one of the many facets of consistent and sustainable national development. This must be supplemented with human and moral values as well as a healthy mind, body and soul. Right since our inception, we have never lost sight of our commitment to the society. Our students are imbibed with the right personal and social values and are sensitised towards various facets of social and public life. As a group we have gone beyond our formal responsibility of curriculum delivery to inculcating best practices that lead to healthy and empathetic human beings. Excellence, to us, is not a destination but a continuous journey. We shall not be content with the accreditations and ratings received and the awards bestowed upon us, but shall continue our march towards a socially responsible and digital society with a global outlook.

The entire team of top leadership, Senior faculty administrators, faculty members as well as the administrative staff and the placements cell are geared with full energy vigor and competencies to deliver the best learning experience in an online as well as blended format.

Keeping in mind the desired learning outcomes and graduate attributes, the entire ecosystem at Suryadatta is aligned with the demands of the new age digital learner and the next generation workforce requirements. The students shall immensely benefit from the synchronous and asynchronous learning initiatives structured for them with an aim to make them ready for the 7 life pathways that the Suryadatta Group believes in letter and spirit. I draw your attention to these initiatives listed on page.

INDUSTRY CONNECT, TRAINING & PLACEMENTS @ SURYADATTA

The Career Development Cell provides value addition round the clock, besides rigorous academic sessions through Industrial Visits, Guest Lectures, Seminars, and Conferences. Extensive Industry Interface and Knowledge Management activities develop the required skill sets and industriousness. According to the requirement of the industries, we receive requirements from companies for internship / final placements. Placement assistance is given to eligible students as per the institute rules and company policies. Students get the placements based on their overall academic records, soft skills & overall performance in selection process (written test, GD/PI as per the company policy).

Suryadatta takes several steps towards building strong relationships with the corporate world by partnering with them for various initiatives. The Training and Placement office looks after continuous development of the students. Dean Corporate Relations – Training and Placements regularly networks with the industry and industry bodies. HR from these industries are a part of the campus recruitment process. The industry-institute interaction is enriched through student development and grooming activities such as

1. Industry Visits	**2. Regular Guest lectures**	**3. Aptitude Test Preparation**
4. Projects	**5. Final Placements**	**6. Soft Skills Sessions**

At times these relationships with the industry are formalized in the form of MOUs. Industry professionals are invited to personally guide the students for the specialization choice series, for guest lectures, grooming sessions, etc. Several reputed organizations have a continuous association with the institute. Industry internship is an opportunity for the students to apply academic knowledge to the real world business problems. Guest lectures provide the students a chance to interact with the representatives of the corporate world and learn about latest management practices. Live projects & workshops ensure optimal exposure to firsthand knowledge of business process, while the student is at the institute.

PLACEMENT SUCCESS STORIES

I Akshata Sathe would like to appreciate SIBMT for helping me in each step of my master's career, and especially pleased to have the opportunity to share some of my thoughts and observations about our college.

These past few months have acted as a stepping stone for us in understanding how to achieve our goals during this difficult situation to our college managed to give us what is assured. They make sure to provide us all the necessary information required I really appreciate their level of effort and patience during virtual learning. Our personal assigned mentors helped us in all the aspects of difficulties.

The placement division activities with an efficient process of getting students trained for jobs from technical skills, soft skills to weekly aptitude round tests. I would like to thank the Director, HOD and the entire team of SIBMT for pushing us to improve our knowledge and perception better than before.

Looking forward to opportunities to achieve my goals. Apart from everything SGI provides us a great platform for skills enhancement and it has been adding a great learning experience while pursuing my respected degree.

PAID INTERNSHIPS WITH OUR PRESENT AND FORTHCOMING VENTURES

Paid Internships at Surydatta Group of Institutes is aimed to inculcate in the students the value of dignity of work and the right aptitude. Students are assigned specific projects under the supervision and mentorship of a designated faculty. These projects could be related to institutional areas such as carrying out green audit or safety audit of the campus, training the non-teaching staff in certain IT Skills, managing the cafeteria of the Institute or developing a social media campaign for an institutional event etc.. Students may also be assigned office work, technical work, field work, sales and outreach projects work or work from home opportunities depending on availability at that particular time.

Through Paid Internships, the students pick up several soft skills, business skills, technical skills, social skills and the right values to make a career in one of the 7 pillars pathways. Voluntary institutes of Suryadatta Group of Institutes offer various such opportunities. Suryadatta offers Live Projects, Work from Home, Learn from Home opportunities and virtual Internships for its students and also for other students through its associate ventures having presence across India and globe with over 1000 Regional Associate Professionals.

7 PILLARS OF MULTIPLE CAREER PATHWAYS - THE GUIDING PRINCIPLE

By education, I mean an all-round drawing of the best in child and man in body, mind and spirit...Mahatma Gandhi.

Suryadatta Group of Institutes is guided by the above quote of the father of the nation. All of academic initiatives embody the above ethos, in letter and spirit and thus we go beyond the narrow perspective of education in terms of degrees and jobs. We believe in creating a transformational educational experience. Various activities are offered round the year for Holistic Development of the students leading to the 7 pillars of Multiple Career Pathways.
