Every year on 15th August, India celebrates its Independence. It is the golden day that was engraved in the History of India when the Nation became Independent. The theme for this year's celebration is "Nation First, Always First". This theme is in line with the government's focus on national unity and development. The 77th Independence Day is a significant milestone for India. It is a time to reflect on the country's journey since independence and to recommit to the values of freedom, democracy, and equality. It is also a time to celebrate the diversity and unity of the Indian nation.

DEAN'S DESK: Independence Day

India Independence Day, celebrated on August 15th, is a poignant reminder of the sacrifices made by our forefathers to secure our nation's freedom. It's a day to bask in the warm glow of patriotism and reflect on our diverse heritage that makes India a tapestry of cultures, languages, and traditions.

The fluttering tricolor ignites a surge of national pride within us. This day serves as a reminder that our actions today shape the destiny of our nation tomorrow. Our country's progress hinges upon the responsibility we bear. As students of MGM Dental college and Hospital, you all are the torchbearers of change, tasked with steering India towards a brighter future.

Our diversity is a source of strength. Just as different notes combine to create melodious music, our various cultures harmonize to create the symphony of India. Embracing this diversity cultivates unity and mutual respect. By promoting harmony and understanding, we build a foundation for progress.

As we celebrate Independence Day, let's rekindle the spirit of responsibility. It's not enough to merely wave flags; we must contribute positively. Small actions, like conserving resources, practicing tolerance, and contributing to society, accumulate to create a significant impact.

In conclusion, let this Independence Day inspire us to uphold the values of unity, diversity, and responsibility. By working collectively, and each of us taking charge of our actions, we can weave a tapestry of progress that enriches India's future. Just as our freedom fighters fought for our liberty, let us pledge to work for India's advancement, securing a promising tomorrow for generations to come.

JAI HIND!

**DR. SRIVALLI NATARAJAN
DEAN, MGMDCH
HOD, ORAL AND MAXILLOFACIAL
SURGERY DEPARTMENT**

SUB-EDITOR'S SAY : INDEPENDENCE DAY

Independence Day celebration is special and meaningful because it honours the bravery and passion of the people who battled to free their country from British tyranny. Every year, the Prime Minister raises the flag and addresses the nation from the Red Fort to mark the occasion as one of pride and honour for the nation.

As this day is observed, there is a sense of nationalism and patriotism present in every Indian's heart. On this day, we also experience a feeling of pride and unity in the nation's diversity. India is a country where people of all religions reside alongside each other. It also has a diverse society, a vibrant culture, and a rich history. People are delighted to commemorate this special occasion. Indians are proud of their country, and this strengthens their will to defend the integrity and sovereignty of their country against all dangers.

The dream of our independence would not have been possible without some notable freedom fighters, including Mahatma Gandhi, Netaji Subhash Chandra Bose, Lala Lajpat Rai, Bal Gangadhar Tilak, Sardar Vallabhbhai Patel, Dr Rajendra Prasad, Moulana Abdul Kalam Azad, Sukhdev, Gopal Krishna Gokhale, Lokmanya Bal Gangadhar Tilak, and Chandra Shekhar Az. Every citizen of the nation honours the nation's independence fighters on this day.

Dr. Sarika Shetty
Professor
Department Of Periodontics

FACULTY : INDEPENDENCE DAY

The significance of Indian Independence Day goes beyond the commemoration of a historical event. It is a day to reaffirm our commitment to democracy, liberty, and justice. It serves as a reminder of the sacrifices made by our ancestors for the freedoms we enjoy today and the responsibility we bear in shaping the future of the nation.

In recent years, Independence Day celebrations have also witnessed technological advancements, with impressive light shows and innovative displays. Additionally, various social and environmental initiatives are often launched on this day to address contemporary challenges facing the nation.

Indian Independence Day is a day of immense pride and significance for the people of India. It marks the end of colonial rule and the beginning of a journey towards self-reliance and self-determination. It is a day to remember our history, celebrate our diversity, and renew our commitment to the ideals of freedom, equality, and justice that our nation stands for. As India continues to progress and evolve, Independence Day remains a poignant reminder of the enduring spirit and resilience of its people.

Bridge.**

Parents speak

Independence Day

India's Independence Day is a very special day for all Indians. Every year on August 15th, we celebrate our freedom from British rule and the birth of our nation. It is a day full of joy, pride, and patriotism. It all started on August 15th, 1947, when India finally gained independence after almost 200 years of British rule. The day is celebrated with great enthusiasm all over the country. People decorate their homes and streets with the tricolor flag and wear traditional clothes. Schools and colleges organize cultural programs, flag-hoisting ceremonies, and singing of the national anthem.

Beyond the celebrations, this day serves as a reminder to strive for continued development, social harmony, and the well-being of all citizens. It resonates with the people, inspiring them to contribute to the nation's growth and uphold the ideals of democracy, equality, sovereignty that the country was built upon.

In essence, India's Independence Day serves as a timeless reminder of the nation's triumphant spirit and the enduring pursuit of liberty and prosperity.

Industry Academic Collaboration Lecture with Ansell

The Department of Oral and Maxillofacial Surgery, MGM Dental College and Hospital, Navi Mumbai in association with Ansell, a leading gloves manufacturing company jointly organized a Industry Academia Collaboration lecture on “Surgical Gloving Technique” on 1st August 2023.

This Lecture was taken by our guest speaker, Dr. Pradnya Ingle. It was in collaboration with Ansell India Protective Products Pvt. limited. This lecture enlightened the students that the smallest things that we overlook can cause a much bigger problem. This lecture was all about the usage and quality of gloves. Gloves are an integral part of every doctors daily practice, especially the dental community. Using them every day, there are so many things that we need to take care, to prevent the transmission of infections and also optimizing it's usage.

Organ Donation Drive

MGM Dental College and Hospital, Navi Mumbai
Accredited by NAAC with A++grade
National Service Scheme Unit

**A SESSION ON
— ORGAN —
DONATION**

**BY DR. NILAM GADA
DENTAL SURGEON**

Date- 3rd August 2023
Time- 11.30am onwards
**Venue- Dr APJ Abdul Kalam Auditorium,
4th Floor, MGMDCH**

YOU DON'T NEED EYES TO SEE IN HEAVEN; SO WHY NOT HELP SOMEONE SEE THE WORLD BEFORE IT'S THEIR TIME TO LEAVE? ORGAN DONATIONS ARE OFTEN VIEWED BY THE MASSES AS GIVING UP A PART OF YOURSELF TO KEEP A TOTAL STRANGER ALIVE. BUT IT IS RATHER THE TOTAL STRANGER GIVING UP ALMOST ALL OF THEMSELVES TO KEEP A PART OF YOU ALIVE. TO INSTILL THIS VIEW OF ORGAN DONATION INTO THE YOUNG MINDS OF THE STUDENTS, THE NSS UNIT OF MGM DCH HAD ORGANIZED A TALK BY DR. NILAM GADA, ON THE OCCASION OF NATIONAL ORGAN DONATION DAY. DR. NILAM GADA TALKED IN DETAIL ABOUT EVERYTHING RELATED TO ORGAN DONATIONS; RIGHT FROM THE WAYS ONE CAN DONATE THEIR ORGANS TO THE LEGALITIES SURROUNDING IT. SHE TALKED IN DEPTH ABOUT HOW ONE SMALL DONATION FROM US CAN CHANGE THE LIFE OF NOT JUST THE PERSON RECEIVING THE DONATION, BUT ALSO OF THEIR FAMILY.

Dr. Neelam Gada giving a talk on Organ Donation Awareness

National Organ Donation Day Pledge

Clinical Case scenarios in Oral and Maxillofacial Surgery

On 5th August, 2023 The Department of Oral and Maxillofacial Surgery, MGM Dental College and Hospital, Kamothe, Navi Mumbai had organized an event on Clinical case-based discussions. The session comprised of various exciting cases that were one-by-one discussed by multiple faculty members with the interns.

The etiologies, symptoms, treatment plans, etc were talked through and conferred about. The session inspired students to think laterally and more clinically and come up with innovative solutions to the problems presented.

At the end of the program, there was also a post-test conducted that comprised of 20 mcq questions to be answered.

Overall the lecture was educative and an informative session well apprehended by all.

Legacy of freedom

The sparrows flocked in the sky,
And sat upon those graves,
Which had fought violence without
a cry,
And fell to the ground untamed and
brave.
For freedom was a legacy that they
passed on
A legacy that took every ounce of
blood and sweat,
The sky still rumbles with pride and
mourn,
And the melancholic songs of their
valor are sung with eyes wet.

-Devashree Kamble

CREATIVE BRAINS

Anti-ragging initiatives play a pivotal role in fostering a safe and inclusive environment within educational institutions. Ragging, often considered a tradition, has caused immense harm to countless students. It involves various forms of harassment, such as physical, verbal, and emotional abuse, which can lead to severe consequences, both physically and mentally.

To address this pressing issue, educational institutions have taken significant steps to curb ragging. They have implemented strict anti-ragging policies and established committees to monitor and prevent such incidents. Awareness programs are conducted to educate students about the detrimental effects of ragging and the importance of creating a respectful and welcoming atmosphere.

Counseling sessions are also provided to both freshers and seniors to foster understanding and empathy. Students are encouraged to report any incidents anonymously through helplines or online platforms, ensuring confidentiality and safety.

Anti-ragging initiatives aim to transform seniors' roles from aggressors to mentors. By promoting positive interaction and camaraderie between seniors and juniors, such initiatives create an environment conducive to academic and personal growth.

The impact of anti-ragging measures is far-reaching. They not only protect the physical and mental well-being of students but also enhance the overall educational experience. Students feel more confident, secure, and focused on their studies, resulting in improved academic performance.

In conclusion, anti-ragging initiatives are indispensable in shaping a positive and nurturing educational environment. By fostering respect, empathy, and responsibility, these measures contribute to the holistic development of students and ensure that educational institutions become spaces for growth, learning, and mutual support.
