HAPPY TEACHERS' DAY

World Teachers' Day is held annually on 5th september to celebrate all teachers around the globe. World Teachers' Day has been celebrated since 1994. It is a day to celebrate how teachers are transforming education but also to reflect on the support they need to fully deploy their talent and vocation, and to rethink the way ahead for the profession globally. With the theme "The teachers we need for the education we want: The global imperative to reverse the teacher shortage", the 2023 celebrations will aim to put the importance of stopping the decline in the number of teachers and then starting to increase that number at the top of the global agenda. Through various activities, they will advocate, analyse their challenges, and showcase inspiring practices to attract, retain and motivate teachers and educators. It will also examine the ways in which education systems, societies, communities, and families recognise, appreciate, and actively support teachers.

SUB-EDITOR'S SAY : TEACHERS' DAY.

5th September is celebrated as Teachers day known because of the birth anniversary of Dr. Sarvepalli Radhakrishnan, who was a great teacher and second president of India.

Teachers are the main reason for the growth of the nation. They make the world a better place. Teachers do not only teach us subjects but they also help us grow by teaching us the moral values which are more important than studies. A good teacher is a candle that burns itself to light the way for others.

During 1962-67 when Dr. Radhakrishnan was the president of India, people requested him to celebrate his birthday. He replied that instead of celebrating his birthday, he would be privileged if that day is celebrated as Teachers Day. From that day, India celebrated Teachers day every year on 5th September.

A teacher is the second parent for children.

PARENTS SPEAK : TEACHERS' DAY.

गुरु आपल्याला अज्ञानाच्या अंधारातून ज्ञानाच्या प्रकाशाकडे घेऊन जातात.

दरवर्षी आषाढ शुक्ल पौर्णिमेला संपूर्ण भारतात गुरुपौर्णिमेचा सण साजरा केला जातो. हिंदू, बौद्ध आणि जैन धर्मातील लोक या दिवशी आपल्या गुरूच्या स्मरणार्थ उपवास, पूजा इत्यादी करून हा सण आपापल्या परीने साजरा करतात. वेद, उपनिषद आणि पुराणांचे लेखक महर्षि वेद व्यास जी, 3000 ईसापूर्व या दिवशी जन्मले, त्यांना सर्व मानवजातीचे गुरु मानले जाते आणि त्यांचा जन्मदिवस गुरु पौर्णिमा म्हणून साजरा केला जातो. या दिवशी भगवान गौतम बुद्धांनी सारनाथ येथे प्रथमच प्रवचन दिले होते, असेही मानले जाते. याशिवाय योग परंपरेनुसार या दिवशी भगवान शिवाने सप्तऋषींना योगाचे ज्ञान दिले आणि ते पहिले गुरु झाले.

आपले पालक हे आपल्या आयुष्यातील पहिले शिक्षक आहेत. जो आपलं पालनपोषण करतो, आपल्याला बोलायला, चालायला शिकवतात आणि ऐहिक जगात पहिल्यांदाच सुरुवातीच्या गरजा शिकवतात. त्यामुळे आई-वडिलांचे स्थान सर्वोच्च आहे. जीवनाचा विकास सुरळीत चालण्यासाठी आपल्याला गुरुची गरज आहे. भावी जीवन गुरूंकडून घडवले जाते.

मानवी मनातील विषाचे दुष्ट रूप दूर करण्यात गुरूचे विशेष योगदान आहे. महर्षि वाल्मिकी ज्यांचे पूर्वीचे नाव 'रत्नाकर' होते. आपल्या कुटुंबाचे पोट भरण्यासाठी दस्युकर्म करत होते. महर्षि वाल्मिकीजींनी रामायणासारखे महाकाव्य रचले, हे तेव्हाच शक्य झाले जेव्हा गुरु नारदजींनी त्यांचे हृदय बदलले. आपण सर्वांनी पंचतंत्राच्या कथा वाचल्या किंवा ऐकल्या असतील. कुशल गुरू विष्णू शर्मा यांनी अमरशक्तीच्या तीन अज्ञानी पुत्रांना कथा व इतर माध्यमांतून कसे ज्ञानी केले.

गुरू आणि शिष्य यांचे नाते पुलासारखे असते. गुरूंच्या कृपेने शिष्याचा ध्येयाचा मार्ग सुकर होतो.

स्वामी विवेकानंदांना लहानपणापासूनच ईश्वरप्राप्तीची इच्छा होती. गुरु परमहंसांचा आशीर्वाद मिळाल्यावरच त्यांची ही इच्छा पूर्ण होऊ शकली. गुरूंच्या कृपेनेच आत्मसाक्षात्कार शक्य झाला.

CREATIVE MINDS OF MGM

The next shift

I always see you in a war as a frontline warrior,
Braving the circumstances with your patients,
Sometimes you are seen by their bedside anxiously waiting for a miracle,
At times you are that miracle we all were looking for.
You've lost your youth in this hustle and bustle,
You have infinite unanswered texts and calls,
I've seen you with coffee mug by your side with an open textbook,
The dark circles under your eyes and the grey in your hair before time,
All this whilst braving your own fears and dealing with all that stress,
Sadly to many people you look like an utter mess.
I've seen you crying silently and praying earnestly for that one patient,
And delivering some difficult news of the fallen soldier you tried to resurrect,
You get blamed for everything that goes wrong and nothing for that one right.
We forget while complaining about the bitter medicines and tasteless food,
That you're famished for hours straight while straining your back and neck,
With endless work and sleepless nights,
We forget you're a human, for you show extraordinary might,
This profession of a doctor has caused you some heart wrenching rifts,
But yet I see you in your scrubs ready for the next shift.
