Admission Process

The admission procedure will be done as per the rules prescribed by the State Common Entrance test Cell, Govt. of Maharashtra including the eligibility criteria. Please visit State Common Entrance Test Cell website <https://cetcell.mahacet.org/cap-2026-27> for details about admission procedure, Eligibility criteria for admission and other rules.

Engineering Admission through CET Cell Portal (CAP Process)

Step 1: Apply for Engineering Admission

1. Register and apply on the CET Cell Portal.
2. Upload all required documents.
3. Pay the applicable application fee.

Step 2: Check Provisional Merit Number

1. Log in to the CET Cell Portal.
2. Verify your provisional merit number.

Step 3: Submit Grievances (If Any)

1. If there are any discrepancies in your application or merit details, register a grievance through the CET Cell Portal within the specified period.

Step 4: Check Final Merit Number

1. Log in to the CET Cell Portal.
2. Verify your final merit number after grievance resolution.

Step 5: Check Seat Distribution

1. Review college-wise and category-wise seat distribution available on the CET Cell Portal.

Step 6: Confirm Final Merit Number

1. Recheck your final merit number through your candidate login before proceeding with option form filling.

CAP Round I

Step 7: Fill Online Option/Preference Form

1. Submit your college and branch preferences through candidate login.

Step 8: Check CAP Round I Allotment

1. Log in and view the provisional allotment result.
2. Choose one of the following options:
 - a. Freeze: If satisfied with the allotted seat.
 - b. Betterment: If you wish to participate in the next round for a better option.
3. Pay the seat acceptance fee (one-time payment) through the CET Portal.

Step 9: Report to the Allotted Institute

1. If you selected Freeze, report to the allotted institute.
2. Complete admission confirmation and document verification.

CAP Round II

Step 10: Fill Online Option/Preference Form for CAP Round II

Eligible candidates:

1. Candidates who registered on the CET Cell Portal but did not fill the option form in CAP Round I.
2. Candidates who selected Betterment in CAP Round I.

Step 11: Check CAP Round II Allotment

1. View the provisional allotment result.
2. Select:
 - a. Freeze if satisfied.
 - b. Betterment if seeking a better allotment in the next round.

Step 12: Report to the Allotted Institute

1. If you selected Freeze, report to the institute and confirm admission.
