(2023 - 2024)

*Nursing is an art; and if it is to be made an art, requires as exclusive a devotion, as hard a preparation as any painter's or sculptor's work; for what is the having to do with dead canvas or cold marble, compared with having to do with the living body.....the temple of God's spirit..... it is one of the fine arts. I have almost said the finest of fine arts.*

## THE COLLEGE:

The healthcare system in India requires a large number of qualified healthcare professionals to meet the prescribed norms laid down by the World Health Organization (WHO) for serving the Indian population. Considering the growing demands of health professionalism, the country, the College of Nursing was established in 2008, to prepare professional nurses with basic and advanced competencies in nursing practice, education, administration, and research.

MGM New Bombay College of Nursing offers Under graduate, Post graduate and Ph.D. programme in Nursing with realistic and successful access to higher education. In the year 2016, the Union Ministry of Health and Family Welfare, launched a competency based Nurse Practitioner in Critical Care (NPCC), Post graduate Programme. The Institute is one among the pioneering institutes in India for starting the NPCC program.

The college is self-paced with basic and advanced learning resources, well-equipped classrooms, nursing laboratories, administrative offices, student lounges and a library with latest reference materials and online facilities.

The nursing students graduating from MGM find a wide range of opportunities for higher education within the campus. Upon successful completion of B.Sc. Nursing, those who intend to continue their studies can opt for M.Sc Nursing., M.Sc. (NPCC) and Ph.D. studies in nursing from the same institution. Nursing graduates can also choose Post graduate courses in Biomedical Sciences, hospital management, health care and public health management from MGM Institute of Health Sciences, Navi Mumbai. In fact, the institute also provides UG and PG students with 100 percent job opportunity in MGM group of hospitals and MGM Nursing Educational Institutes.

MGM New Bombay College of Nursing endeavors to maintain a *student friendly environment* to provide quality education and prepare professional nurses sensitive to human needs.
