MESSAGE

I am pleased to know that the organisation 'Anti Dowry Movement, Mumbai' will be celebrating its 44th anniversary on 28th May 2017.

Every year hundreds of women in the country are killed for dowry. It is a sad reality that dowry is practiced even today, by educated and uneducated people and also by the rich and the poor. We need a multi-pronged approach to tackle this menace. It is gratifying to note that the Anti Dowry Movement is involved in creating awareness against the evil custom of dowry among youths and has been implementing a sustained campaign against dowry in Universities and Colleges.

I congratulate the Anti Dowry Movement for its good work and wish the organization success in its future endeavours.
