PREAMBLE

Even though hospitality education is more than 65 years old in our country, there are very few Culinary Arts colleges in India. The recent years have seen drastic focus on Culinary Arts all over the world. University of Mumbai has taken the initiative to be in line with international scenario and started Bachelor of Arts in Culinary Arts. Bachelor degree programme in Culinary Arts was introduced by the University of Mumbai in the year 2014. However first batch of Culinary Arts was started in year 2016 – 17.

This new program in Culinary Arts was introduced with the aim of teaching the students classical and contemporary Culinary Arts observing HACCP standards, safety and environment concerns. The program gives more importance to the regional cuisine with the emphasis on Maharashtra cuisine covering all the regions of the Maharashtra. As all the classified hotels, restaurants and eating out places need to be reorganized to maintain the highest standards of hygiene; University of Mumbai has taken initiative to train the students to practice high standards of food safety and hygiene.

Colleges seeking approval from University of Mumbai need to ensure that the infrastructure and hygiene standards are laid down as per HACCP and they strictly adhere to the laid down norms.
