Blood Donation Drive

Date: 12.01.2018

Occasion/ Event Title: Blood Donation Drive

Organizing Department: Dept Oral Pathology & Microbiology with NSS Unit, MGMDCH and Blood Bank MGM Hospital Kamothe.

Total Participants: 79 (Students: 68 Faculty: 11)

REPORT

A single bag of blood can save three lives! A single gesture can create a million smiles!

Donating blood is a moral and social duty of every human being. To aid our staff and students with the same, the Department of Oral Pathology, Mahatma Gandhi Mission's Dental College and Hospital, took up this opportunity to initiate and execute a Blood Donation Drive, on the 12th January 2018, as part of College festival MAGNUM 2018.

This drive was conducted in collaboration with the Blood Bank team of Mahatma Gandhi Mission's Medical Hospital. The Drive commenced at 9.00am in the Girls common room of the Dental College. We were privileged to have Dr. Sudhir Kadam sir, Vice Chancellor, Mahatma Gandhi Mission's Institute of Health Sciences. Sir was kind enough to address all the students and staff gathered at the venue and motivated them to contribute their share in this life saving cause.

The drive witnessed successful collection of blood from 39 donors from various age groups including staff members and students of Dental College. Every individual who contributed for this Noble Cause was awarded with an appreciation certificate and a Blood donation card.

The blood donation drive was a grand success under the guidance of our Dean, Dr. Sabita M. Ram and the sincere, relentless efforts put in by Dr. Shilpa Patel, Head of Dept. of Oral Pathology, the staff and post graduate students of Oral Pathology as well as the volunteers of NSS Unit, Mahatma Gandhi Mission's Dental College and Hospital.
