**Occasion: Blood Donation Drive**

**Total participants: Students: 99**

Amid shortage of blood in various state run hospitals owing to COVID-19, this program was held as a part of two week blood donation drive launched by MUHS, Nashik. The drive was conducted in collaboration with Blood bank team of MGM Medical Hospital in Blood Bank section of MGM Hospital. The event began at 10.00 am in the morning and lasted until 3.00 pm. In the midst of COVID-19 pandemic, we saw full participation of students, teaching and non-teaching staff from our college. However, after careful assessment of health of each participant, a total of 15 blood donors donated blood through this drive. For this noble cause these donors were awarded with an appreciation certificate and a blood donation card.
