## PROPOSAL FOR STUDENT EXCHANGE PROGRAM

1. Name of the Department proposing the program: Department of Oral Pathology & Microbiology.
2. Name of the institution proposed for exchange: MGM's Dental College & Hospital, Navi Mumbai.
3. Details like address, Dean & HOD of the institution/ Department proposed for exchange: Dr. Treville Pereira,  
Professor & Head  
Department of Oral Pathology & Microbiology  
Dr. D.Y Patil University School of Dentistry,  
Nerul, Navi Mumbai.
4. Objectives of the exchange program:

The objective of this programme is to provide opportunities to the students in learning through exposure in various clinical and histopathological arenas. It will facilitate students in acquiring knowledge and instill professional growth. This programme will enable students to have a holistic learning approach as clinico-histopathological correlation will be discussed at large. This will not only add value to learning for assessment and examination purpose but will also expose them to wide range of abnormalities pertaining to head and neck region. The histopathological slide discussion will also provide opportunity for the students to evaluate different slides from the abundant resources and archives available in the department. Thus through the student exchange activity, the students will entrusted with brainstorming session which will have an influence on the overall performance & knowledge pertaining to the subject

5. Field of interest where exposure/ training is sought: Department of Oral Pathology & Microbiology.

### Slide Identification, & Discussion:

Benign & Malignant Tumors, Fibro-osseous lesions, Diseases of Skin, Infections, Fungal Infection Salivary Gland neoplasm, Cysts of Oral cavity & odontogenic Tumours
