EMPOWER

WOMEN

As a part of the event, we request all the ladies to drop by the Girls Common Room on the Ground Floor on Tuesday, 28th June, 2022, between 11:00AM and 2:00PM and put their handprint on the wall with their name and a motivational word.

By doing so, we intend for all the wonderful ladies to leave their mark on the walls of MGMDCH and a word of encouragement which is all that we need in a difficult time
