MARGADARSHAN INITIATIVE

Objectives: To provide guidance to the students about career opportunities.

Beneficiaries: Students of MGM Dental College & Hospital

Overview:

- The Alumni Association of MGM Dental College and Hospital organizes **career guidance programs and lectures.**
- The activities are aimed at chalking a roadmap to NEET and through as well as providing insights to a successful career based on the experience of the resource persons.
- Lectures are given on how to make an informed decision to pursue MDS, points one should bear in mind while choosing a specialty as well as making a choice for determining the best combination of college and MDS Branch.
- Lectures are also conducted to provide information on NEET MDS exam application, Admission procedure, Documents required for eligibility, Form filling, Seat distribution and Preference selection.
- Alumni also guide students about career opportunities in India and abroad.
- Sessions are also conducted to share "**Tips and Tricks**" of success to plan for the future professional growth.
- At the end of every career guidance lecture/program, a short Q and A session is conducted for resolving doubts and encouraging brainstorming and generating new ideas.
